Logistical Information

Each Block Party will run from 5:30-11:00 p.m. Estimated attendance is 2,000 – 3,000. Seating will be available for attendees, and entertainment will consist of live musical performances on stage. Vendors must be completely set up and ready for business by 5:00 p.m. on selected date(s). Arrival and set up begins between 3:30 – 4:30 p.m. the afternoon of the event. No booths may be set up on the street or sidewalk, only in the designated area. Vendors will be given a map prior to the event indicating their location, which will be determined by the Event Coordinator.

Interactive Component

We are again requiring all non-retail Display Vendors to provide some form of interactivity within your space. Photo booths, prize wheels, sidewalk chalk, coloring, games, etc. are all great ways to draw people into your space. As a family friendly event, we want to make it fun for attendees of all ages. Let us know if you have any questions – or need some assistance coming up with ideas.

Vendor Selection Process

DTSF members will receive first consideration to obtain a food booth. Once those are chosen, we will select outside vendors based on the following criteria:

- Uniqueness and attractiveness of product
- Reasonable prices/good product value to customers
- Opportunity for new vendors/variety
- Past Participation – any past working experience between DTSF and vendor must be positive. Was vendor:
 - Courteous to DTSF staff and customers?
 - Obedient of rules?
 - Adherent to offering products stated in application?
- Attractive, clean setup
- Timeliness of complete application submission

Quality of Presentation/Equipment, Fire & Cleaning Regulations

- All vendors must have a professional presentation, and will be responsible for supplying own canopy, equipment, garbage receptacle and whatever else is necessary for the successful booth operation. Signage and banners need to be clean and professional looking.
- All vendors will be located on pavement. Please come prepared with canopy weights.
- All vendors must dispose of their trash and recyclables properly.
- A separate cleaning deposit check is required, but will only be cashed if additional labor or cleaning services are needed to clean your area afterwards OR if you do not show up to the event. If not cashed, this check will be returned after the event.
- **No plastic bags** – vendors will not be allowed to hand out products in plastic bags. Paper or reusable bags are acceptable.
- **No Styrofoam** – vendors will not be allowed to use or hand out items in Styrofoam.

Electricity

- We will do our best to provide a power source to vendors who have requested electrical.
- Vendors must supply their own heavy-duty extension cords and indicate on the application how much power is needed. We will do our best to accommodate and inform you if we can't.
- DTSF will have an electrician (pending availability) on site to assist with hook-up.

Insurance Requirements

Vendors must have liability insurance for this event. At time of application, we ask that you submit a copy of your General Liability Insurance Policy listing Downtown Sioux Falls, Inc. as additionally insured. No one will be allowed to vend at the Downtown Block Party on the Eastbank without proof of liability. If you have already submitted this to DTSF for a previous 2020 event and it is valid through at least September 4, 2020, you do not need to submit it again.

Application Deadline, Acceptance Notification and How to Apply

- We will accept applications up until two weeks prior to the event date, or until all available spaces are full. Please call to check availability if close to event date.
- You must submit the completed application along with **two separate checks**, one for the vendor fee and one for the cleaning deposit. The vendor fee will not be cashed until you are accepted, and the cleaning deposit will only be cashed after the event if additional labor or cleaning fees are needed to clean your area afterwards OR if you do not show up to the event OR if you use plastic bags or Styrofoam.
- If you are not accepted, you will be notified by email, and both checks will be returned or shredded. Otherwise, you will receive a participant packet (emailed) with set-up information approximately 2 weeks prior to the event.
- There will be **no refunds** once accepted to the event, even if the event is hindered or canceled due to weather, or for any other situation. All funds are fully committed to the production, promotion, and marketing of the event.
