### SACHEL GRANDE PRESENTED BY MIDCO 8:45pm - Great Western Bank Stage

The gentlemen of Satchel Grande have long since established themselves as Omaha's premier good time, funk, and dance band who captures the energy of packed venues with all original material. With their signature BluBlocker aviator shades and 70's inspired attire, this 10-piece act doesn't just take the stage, they own it. Keys, percussion, deep bass, clapping, fiery guitar work and sing-along lyrics make a Satchel show one to remember. The sound owes a nod to both George Clinton and Steely Dan, yet Satchel manages to not only wear its influences on its sleeve but to also take those influences and turn them into something unique. As far as promoting booty-shaking goes, Satchel Grande is the undisputed king.

### ROCKIN' RED 4:00 - 8:00pm - Midco Tent

Rockin' Red is the stage name for experienced musician, Leslie Dolby. Leslie was the keyboardist and member of the children's entertainment group, Do Re Mi's Play from 2008-2016. In 2016, she began performing solo children's shows as Rockin' Red. Her primary instruments are piano and saxophone--which you can hear on her first studio album. With two young children of her own, she finds inspiration for writing her songs from everyday life. Her shows are packed with fun since she isn't afraid to be silly and goofy! Leslie calls Sioux Falls, South Dakota home but loves traveling for shows and meeting new friends.

### GOOD MORNING BEDLAM 6:30pm - Great Western Bank Stage

Good Morning Bedlam has become an innovative force in the midwest folk scene. Their shows are known for their contagious energy, with members careening about the stage, jumping and dancing with a wild playfulness. With tight soaring three part harmonies, and thumping kick-drum, they captivate their audience night after night with no intention of slowing down. Every song is a unique twist on what is generally dubbed as folk music. Just when you think you have Good Morning Bedlam pegged, they take you in another direction. You will be treated to a haunting waltz, whistling, jazz scatting, and the euphoria of the violin melodies.

### HOMETOWN GLOW 4:30pm - Great Western Bank Stage

Hometown Glow is bluesy, soulful, original music from the heart of the Midwest. Soaring vocals and harmonies, creative chord progressions, electrifying guitar solos, huge piano/organ sounds, and showstopping drums. All handmade, the sound that Hometown Glow creates is tightly composed and uplifting, tempered with just enough wiggle room to celebrate the art of improvisation. With impressive command of their instruments, they create complex sonic scenes while staying connected to earth through catchy melodies and composing. Listeners encounter what has been described as 'Grateful Dead meets Stevie Wonder' and a live show that is sure to satisfy music purists, self-proclaimed American Idol vocal judges, cigar chomping blues-meisters, and jam band parking lot party patrons.
